

## WE WILL REMEMBER

The ones that we've lost still go on with us in spirit  
*We will remember them*

In the faces of family, their presence still lingers  
*We will remember them*

In the dreams they once nurtured, they will still shape our future  
*We will remember them*

In the hearts that embrace them, they will live forever  
*We will remember them*

At daybreak and nightfall as long as there's memory  
*We will remember them*
